October 2010

Community says farewell!

Former chamber director Mona Lowe is leaving Roberta to accept a position as Better Hometown director in Ellijay. Mona has been a stalwart supporter of this community and will be enormously missed.

Business After Hours Held

The chamber's most recent member, Moncrief Repair Services, was host to BAH in September and those who attended agreed that they had seldom been fed so well!

"...work together!"

Auction Alert!

Please note that the auction has been postponed until Spring 2011, and more volunteers are needed to help make this a success. Call the chamber office for details.

Camp Grace Fall Festival

Join your friends and neighbors for a fun-filled day of festivities at Camp Grace on October 24th. Horseback riding, pumpkin painting, carnival-style games, football, and many more activities will all be available. Bring your family after church for a late lunch provided by Ready Mix USA and tour the camp facilities that campers enjoy during the summer. **RSVP** to the following website: <http://visionatlanta.org/fall-festival>

Invitation to Health Summit

The upcoming **Quarter 3 meeting for the Crawford County Health Summit** is part of a larger three-year campaign, the Central Georgia Regional Health Summit, through which Community Health Works is working to create community action plans around health and wellness initiatives that are unique to Crawford County's specific health needs and available resources. The goal of the Health Summit and quarterly meetings are two-fold:

(1) to address and reduce the prevalence of obesity and related chronic illnesses, and

(2) create a "culture of health and wellness" that values healthy living as a local priority for all citizens.

Please join us on **October 14th from 11am to 1pm at the Central Georgia Tech College in Roberta**. We need your input as we continue to develop the community action plan for your county—you know your community best! **Please RSVP by calling Community Health Works at (478)254-5200 or emailing kglass@chwg.org**. **Lunch will be provided.** We'd like to encourage you to please visit the Summit website (www.cgrhs.org) to obtain information about the initial Summit conference, as well as program materials and meeting dates for the year ahead.

Flint Cable offers Centennial DVD

Below are the TV air dates and times for the Roberta Centennial coverage. For those of you who don't have Flint Cable yet, you can watch the local community station by visiting the cable website at:

<http://www.flintcatv.com> Simply click on the "Local Watch 14" link on the top navigation bar and it will open a new page. Allow a minute or two for the station to begin streaming live. Keep in mind that this is streaming video over the web and poor quality. It is clean and crisp on an actual TV. Down the right side of the video page, it will provide you show listings for up to eight hours.

Anyone who would like to purchase a collector's copy (TV quality), please call Laurie Long at 847-4111. The finished show is about 45 minutes.
